

Challenges and Opportunities (CHOPs)

Name:

Date:

Describe the challenge/opportunity:

What decision did you make in response to the challenge/opportunity?

In what way did this impact on your research?

Was it a major turning point? Y / N

Which aspect of your research processes did it affect?

- Question refinement
- Capability understanding and development
- Planning research processes
- Developing research
- Analysing information
- Exploring ideas
- Development skills
- Synthesising knowledge, skills and ideas
- Resolving research question
- Substantiating key findings
- Expressing ideas

EVALUATION ASSESSMENT CRITERIA	
	E2
A	Critical evaluation of decisions made in response to challenges and/or opportunities specific to the research processes used.
B	Some complexity in evaluation of decisions made in response to challenges and/or opportunities specific to the research processes used.
C	Some evaluation, with mostly description of decisions made in response to challenges and/or opportunities specific to the research processes used.
D	Basic description of decisions made in response to challenges and/or opportunities specific to the research processes used.
